UKULETA UBUPINGUSHI PALI BENA

A comic book illustration of a camp at night. Two large snakes are coiled around the camp, their heads raised and tongues flicking. The camp consists of several tents made of dark fabric, supported by wooden poles. Several people are visible inside and outside the tents. The sky is dark with some stars or distant lights. A speech bubble is positioned in the upper left quadrant, containing text in a bold, sans-serif font.

**HISSESS..**

A dramatic comic book illustration. In the foreground, a woman with a wide-eyed, screaming expression is shown from the chest up. She wears a light-colored headscarf and a necklace with circular pendants. Her mouth is open in a scream, and her eyes are wide and staring. To her right, a large snake with a dark, patterned body and a human-like face with a wide, toothy grin is coiled around her. The snake's mouth is open, and it appears to be hissing. The background is dark and textured, suggesting a cave or a confined space. The overall style is high-contrast and expressive, typical of comic book art.
