MAHQEQ 28:1-2; LUQA 24:1

A comic book panel depicting a scene of distress. In the foreground, a woman wearing a purple headscarf and a purple garment looks upwards with a shocked expression. She is holding a small, dark bowl containing a bright, yellow-orange flame. Behind her, several other women in blue headscarves and blue garments are visible, also showing expressions of fear and concern. One woman in the background has her hand raised. The background is dark and indistinct, suggesting an indoor or nighttime setting. Two speech bubbles contain text in a stylized, uppercase font.
