A colorful illustration of Jesus riding a grey donkey through a crowd of people. Jesus is wearing a white tunic and an orange sash. The crowd consists of men and women in traditional Middle Eastern attire, some holding palm branches and others holding greenery. The background shows a building with ornate golden doors.

A detailed illustration of a busy market scene. Jesus is walking through the center of the market, surrounded by people. On the right, there are stalls with sheep. On the left, there are stalls with various goods, including bread and jars. People are engaged in various activities, such as carrying baskets, selling goods, and talking. The scene is filled with activity and detail.
